BUILDING TO SERVE

A United Way
Member Agency

DREAMS! We all have them.

Our DREAM is to have a Community Centre we can call home. The Jamaican Canadian Association (JCA) has always believed in having a place the Community can call its own. We have been a meeting place for seniors, young people and families for 36 years and we intend to continue being a meeting place well into the future.

The focus of JCA is "Our Community. Our Children. Our Culture"

It is now time to start renovating our new building at 995 Arrow into the new Community Centre.

HOW CAN YOU HELP? By participating in our "Buy A Brick" Campaign!

Laying the groundwork for the new Community Centre takes time and commitment. With your help we can continue to do it. Last year, we launched our Building Campaign toward renovating for the new Community Centre.

Be a part of the Campaign and buy a Brick today. For \$10.00 you can buy a brick for yourself, the entire family or for a loved one who has passed away. Buy a Brick and you will be helping us meet the urgent needs of our future generation.
